

The STONY WOLD MOTEL, KINGMAN, ARIZONA,  
is constructed entirely of black Malapai stone, a  
volcanic stone found abundantly in colorful  
Arizona. Thoroughly fireproof. Interiors are lux-  
uriously furnished in Monterey furniture with  
special emphasis on comfortable beds. Bathrooms  
are completely tiled. Every detail is designed  
for the comfort and convenience of the traveler.

Approved by the  
American Automobile Association
